

## Superior Protection from Sharps Threats

Ideal for high-risk contact situations such as body and vehicle searches. Provides advanced level of protection to the palm and fingers against needles, punctures and cuts. The Search also features eleven times more protection than typical police gloves against 28-gauge hypodermic needles—the needle used by most IV drug users.

## Features

### Glove Design:

- Rugged TurtleSkin PalmMaster materials provide coverage on the palm side of the hand, fingers and fingertips as well as complete coverage of the index finger, combined with a soft, comfortable leather backing

### Suitable For:

- Law Enforcement Officers
- Security Personnel
- Border Control Personnel
- Corrections & Prison Services

**Care Instructions:** Machine wash gentle – Tumble dry cool

## Areas of Protection
