

# TurtleSkin® Special Ops

## High Performance

### Needlestick, Cut and Flash Protection

TurtleSkin Special Ops SWAT gloves represent the next generation in high-performance tactical assault gloves. They have 11 times more puncture protection than typical flash gloves against 28-gauge hypodermic needles. Designed to provide tactical assault officers protection where high levels of cut, puncture, abrasion and flash protection are needed the most.

## Features

### Glove Design:

- Abrasion-resistant palm
- Flash-resistant aramid knit backing and cuff
- Puncture-resistant palm
- Resistant to needles and cuts
- Extended wrist coverage

### Suitable For:

- Law Enforcement Officers
